### MESSAGES FROM THE GOVERNOR

The Honorable Robert Marks  
Speaker of the House  
Montana House of Representatives  
State Capitol  
Helena, Montana 59620

April 8, 1981

Dear Mr. Speaker:

This is to inform you that I have signed the following measure this date:

House Bill No. 738.

Sincerely,

TED SCHWINDEN  
Governor

The Honorable Robert L. Marks  
Speaker of the House  
State Capitol  
Helena, Montana 59620

April 8, 1981

The Honorable Jean A. Turnage  
President of the Senate  
State Capitol  
Helena, Montana 59620

Dear Representative Marks and Senator Turnage:

In accordance with the power vested in me as Governor by the Constitution and the laws of the State of Montana, I hereby return Senate Bill No. 58, "AN ACT TO AMEND SECTION 20-5-403, MCA, OF THE SCHOOL IMMUNIZATION LAWS TO ELIMINATE THE EXEMPTION BASED ON FAILURE TO ACT; ALLOWING A GRACE PERIOD FOR TRANSFER STUDENTS; AND PROVIDING AN EFFECTIVE DATE," without my signature and recommend the attached amendments for the following reasons.

The amendments I am proposing to SB 58 are for clarification only and in no way alter the intent of the bill.

Language in Section 1(1)(d) of the bill leaves the impression that subsection (2) in some manner describes pupil transfers. Subsection (2) does not describe transfers but rather, unsuccessfully attempts to provide a grace period for transfer pupils in which they can comply with immunization requirements. The proposed amendment clarifies this intention.

Further, language in subsection (2) raises the question whether the 30-day grace period begins to run with the commencement of attendance at the first school attended by a transfer student or at the school to which the student transfers. The proposed amendment makes it clear that the 30-day grace period begins to run after the commencement of attendance at the school to which the student transfers.

I urge your concurrence in these amendments.

Sincerely,

TED SCHWINDEN  
Governor

The Honorable Robert L. Marks  
Speaker of the House  
State Capitol  
Helena, Montana 59620

Dear Senator Turnage and Representative Marks:

In accordance with the power vested in me as Governor by the Constitution and the laws of the State of Montana, I hereby return Senate Bill No. 461, "AN ACT TO REMOVE THE RESTRICTIONS ON ALL-BEVERAGES LIQUOR LICENSES TRANSFERRED FROM ONE QUOTA AREA TO ANOTHER 5 YEARS AFTER THE TRANSFER AND TO ALLOW THE TRANSFERS OF ALL-BEVERAGES LICENSES TO QUOTA AREAS THAT ARE LESS THAN 133 PERCENT OVER QUOTA, AN INCREASE FROM 125 PERCENT; AMENDING SECTIONS 16-4-202, AND 16-4-204," without my signature and recommend the attached amendments for the following reasons.

The language of SB 461 on page 14, lines 11 through 14, creates a statutory bar against any mortgaging or pledging of resort all-alcoholic beverage licenses as security. Additionally, the language bars any transfer of the license except upon inheritance by death, similar to the current provisions affecting floater all-alcoholic beverage licenses.

The unamended statutory provisions allow the resort all-alcoholic beverage license to be mortgaged or pledged as security and allows the transfer of such licenses with the restriction that such licenses may not be transferred to locations outside the boundaries of the resort area. Currently, at least four resort all-alcoholic beverage licenses have been mortgaged or pledged as security with secured parties and their security interests recorded with the Department of Revenue, Liquor Division.

The amendments I am proposing maintain the existing statutory provisions for mortgaging and transferring resort all-alcoholic beverage licenses.

I urge your concurrence in these amendments.

Sincerely,

TED SCHWINDEN  
Governor

The Honorable Jean A. Turnage  
President of the Senate  
State Capitol  
Helena, Montana 59620

Dear Representative Marks and Senator Turnage:

In accordance with the power vested in me as Governor by the Constitution and the laws of the State of Montana, I hereby veto Senate Bill No. 273, "AN ACT TO ALLOW THE ADMINISTRATIVE CODE COMMITTEE TO TEMPORARILY SUSPEND AGENCY RULES; AMENDING SECTION 2-4-412, MCA," for the following reasons.

Senate Bill No. 273 as passed, raises a number of questions. Section 1 of the bill grants the Administrative Code Committee of the Legislature the power to temporarily suspend an agency rule. Under *Judge v. Legislative Finance Committee*, 168 Mont. 470, 543 P. 2d 1317 (1975) this legislative grant of power appears to constitute an unlawful delegation of legislative authority to a committee of the Legislature. The temporary nature of the suspension does not alter the fact that the grant of power at issue here lies with the entire Legislature.

In addition, the criteria set forth in Section 1, which serve as the basis upon which the committee may suspend an agency rule, are so overly broad and so vague, they provide the committee with a "carte blanche" ticket for interference with the executive branch's constitutional duty to responsibly execute and administer the laws of Montana. The guarantee of "Separation of Powers" provided in Article III, Section 1 of the Montana Constitution may be violated by the exercise of this legislative committee power.

Section 1 of the bill also provides that a suspension of a rule is effective until the committee certifies the results of a legislative poll, and that a poll be conducted within 2 weeks after the suspension. Section 2 of the bill provides for a "vote by mail ballot." Article V, Section 6 of the Montana Constitution, states in pertinent part, that the Legislature shall "meet" each odd-numbered year in regular "session" of not more than 90 legislative days and may be "convened" in special sessions by the Governor or at the written request of a majority of its members. Since the Constitution also requires that the seat of government be in Helena (Article III, Section 2) it appears that 'legislating by mail' is not constitutionally sanctioned. When the Legislature acts collectively to set public policy *without being in session, without public participation, and without legislative deliberation*, the legislative process is stripped of its essential elements and the citizens denied their fundamental rights. Fundamental democratic principles must not be summarily dismissed. If the Legislature is dissatisfied with agency rules, it should restrict the rulemaking authority it grants to the agencies.

Assurances of reasonable committee and legislative action under SB 273 do not diminish the seriousness of the constitutional questions raised. If the Legislature desires more control over the executive branch, let the record show that I urge and support annual sessions.

For these reasons, I hereby veto SB 273.

Sincerely,

TED SCHWINDEN  
Governor

### MESSAGES FROM THE GOVERNOR

The Honorable Jean A. Turnage  
President of the Senate  
State Capitol  
Helena, Montana 59620

April 9, 1981

The Honorable Robert L. Marks  
Speaker of the House  
State Capitol  
Helena, Montana 59620

Dear Senator Turnage and Representative Marks:

In accordance with the power vested in me as Governor by the Constitution and the laws of the State of Montana, I hereby return House Bill No. 445, "AN ACT TO CREATE A PROCEDURE TO OBTAIN A VARIANCE FROM THE RULES ISSUED PURSUANT TO THE MONTANA SOLID WASTE MANAGEMENT ACT," without my signature and recommend the attached amendments for the following reasons.

House Bill No. 445 as passed uses the words "variance" and "exemption" interchangeably. The consistent use of either of these words will eliminate any confusion arising from the use of both. I am proposing an amendment which deletes "exemption" and replaces it with "variance".

Sections (2) and (3) of HB 445 are duplicative to the extent that they both require the variance hearing to be conducted pursuant to the Montana Administrative Procedures Act. I am proposing an amendment which deletes Section (3).

Finally, Section 4 of HB 445 prevents the Board from adopting "rules" less restrictive than the Resource Conservation and Recovery Act of 1976. It appears, however, that the intent of Section 4 was to prevent the Board from granting a "variance", rather than adopting "rules", less restrictive than the requirements of that Act. I am proposing an amendment which makes that intent clear.

I urge your concurrence in these amendments.

Sincerely,

TED SCHWINDEN  
Governor

INTRODUCED BY MOORE

BY REQUEST OF THE HOUSE APPROPRIATIONS COMMITTEE

A BILL FOR AN ACT ENTITLED: "AN ACT TO APPROPRIATE MONEY FOR CAPITAL PROJECTS FOR THE BIENNIUM ENDING JUNE 30, 1983; PROVIDING FOR OTHER MATTERS RELATING TO THE APPROPRIATIONS; AND PROVIDING AN IMMEDIATE EFFECTIVE DATE."

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF MONTANA:

Section 1. Definitions. For the purposes of this act, unless otherwise stated, the following definitions apply:

(1) "Agency" includes each state office, department, board, commission, council, committee, unit of the university system, or other entity or instrumentality of the executive branch, office of the legislative branch, or office of the judicial branch of state government.

(2) "Capital project" means acquisition of land or improvements, planning, capital construction, renovation, furnishing, or major repair projects authorized in this act.

(3) "Approved budget amendment" means approval by the budget director of a request submitted through the architecture and engineering division of the department of administration to transfer excess funds appropriated to a capital project within an agency in order to increase the appropriations of another capital project within that agency or to obtain financing to expand a project with funds which were not available for consideration by the legislature.

(4) "BPICA" means account number 06142 in the bond proceeds and insurance clearance fund; "FPRA" means federal and private revenue account; "ERA" means earmarked revenue account; and "other appropriated funds" means money other than general fund or BPICA money that accrues under provisions of law to an agency indicated herein.

Section 2. Expansion required to be authorized. No existing capital project may be expanded beyond the scope of the project as approved by the 47th Legislature unless the capital project expansion is authorized by an approved budget amendment.

Section 3. Additional funding. If a capital project is jointly financed by an appropriation or appropriations from state sources as well as by appropriations from other sources, the funds provided by appropriation from state sources shall be decreased by the amount that the funds received from other sources exceed the amount appropriated by the legislature if the decrease does not jeopardize the receipt of the funds to be received from other sources.

Section 4. Federal funds for administration. All federal funds received as a reimbursement for the cost of administering the federal funds when the cost was financed from the general fund shall revert to the general fund. SHOULD FEDERAL FUNDS FOR MAKOSHIKA STATE PARK EXCEED \$21,000, COAL TAX APPROPRIATIONS IN AN AMOUNT EQUAL TO THE EXCESS WILL BE REVERTED.

#### MESSAGES FROM THE GOVERNOR

The Honorable Robert Marks  
Speaker of the House  
Montana House of Representatives  
State Capitol  
Helena, Montana 59620

April 10, 1981

Dear Mr. Speaker:

This is to inform you that I have signed the following measures this date:

House Bill Nos. 12, 316, 781.

Sincerely,

TED SCHWINDEN  
Governor

The Honorable Jean A. Turnage  
President of the Senate  
State Capitol  
Helena, Montana 59620

April 10, 1981

The Honorable Robert L. Marks  
Speaker of the House  
State Capitol  
Helena, Montana 59620

Dear Senator Turnage and Representative Marks:

In accordance with the power vested in me as Governor by the Constitution and the laws of the State of Montana, I hereby return House Bill No. 179, "AN ACT TO AMEND SECTIONS 76-4-105 AND 76-4-128, MCA, TO INCREASE THE LOT FEES CHARGED FOR SERVICES RENDERED IN THE REVIEW OF SUBDIVISIONS; TO ALLOW MORE REIMBURSEMENT TO LOCAL GOVERNMENTS PERFORMING SUBDIVISION REVIEW FUNCTIONS," without my signature and recommend the attached amendment for the following reasons.

House Bill No. 179 as passed, authorizes the Department of Health and Environmental Sciences to adopt rules setting forth fees, not to exceed \$30 per parcel, for services rendered in the review of plats and subdivisions. This \$30 fee represents a \$5 increase over the present \$25 review fee.

House Bill No. 179 also requires the Department to transfer not less than \$15 per parcel of the fee collected, to the local government that has agreed to assist the Department in its subdivision review. This minimum transfer of at least \$15 to the local government represents a \$5 increase over the present \$10 reimbursement.

Therefore, under House Bill No. 179, the \$5 increase in the fee collected by the Department goes to the local government. There is no question that local governments assisting the Department in its review of smaller subdivisions need this increased level of reimbursement. In order to maintain the existing six FTE's in the subdivision Bureau of the Department, however, an additional \$5 increase in the per parcel review fee collected is necessary.

I am proposing an amendment which will increase the per parcel review fee collected from \$30 to \$35, and allowing this increase to remain with the Department. This increase will enable the Department to review subdivisions in a timely manner as required by law.

I urge your concurrence in this amendment.

Sincerely,

TED SCHWINDEN  
Governor

### MOTIONS

Representative Fagg moved that all bills passing Second Reading this day be placed on Third Reading this same day. Motion carried unanimously.

Representative Fagg moved that the 24-hour rule be suspended to allow HJR 65 and HB 840, reported out of committee today, to be placed on Second Reading this day. Motion carried unanimously.

Representative Anderson moved that the Free Conference Committee on HB 209 be dissolved and that the Speaker be authorized to appoint a new Free Conference Committee in its place. Motion carried.

Representative Kemmis moved that the House reconsider its action on banning cigarette smoking in the House chamber. He didn't think that the

rule would be enforced and felt that the House shouldn't have rules that aren't enforced. Representative Dussault pointed out to the Assembly that for a new rule to be adopted a two-thirds vote is required and that the measure did not pass by two-thirds. As a compromise, Representative Dussault made a substitute motion that as long as the House is in session the areas behind the pillars be designated as the smoking areas. The Chair ruled that the ban on smoking did not pass by a two-thirds majority vote and that, therefore, the motions made by Representatives Kemmis and Dussault were out of order.

Representative Fagg moved that the issue of smoking in the House chamber be taken to the Rules Committee on Monday. Motion carried.

State Capitol  
Helena, Montana 59620

April 13, 1981

The Honorable Robert L. Marks  
Speaker of the House  
State Capitol  
Helena, Montana 59620

Dear Senator Turnage and Representative Marks:

In accordance with the power vested in me as Governor by the Constitution and the laws of the State of Montana, I hereby return Senate

Bill 367, "AN ACT TO ALLOW THE BOARD OF LAND COMMISSIONERS TO ISSUE COAL LEASES TO FOREIGN INTERESTS AND TO ALLOW THE SALE OF COAL MINED UNDER LEASES FROM THE BOARD OF LAND COMMISSIONERS TO FOREIGN PERSONS; AMENDING SECTION 77-3-305, MCA; AND REPEALING SECTION 77-3-315, MCA," without my signature and recommend the attached amendments for the following reasons.

The strong support of SB 367 by the Legislature signals a clear change in public policy by the State of Montana. I remain concerned about the wisdom of committing finite U.S. energy resources to long term export contracts until America's energy needs are determined—and met.

Despite my reservations, however, I concur in SB 367 insofar as it permits coal from state leases to be sold to foreign interests. *SB 367, however, also permits foreigners to acquire state coal leases without restriction. This unconditional right far exceeds the federal policy on mineral leasing.*

It is one thing to allow the export of Montana coal. It is quite another matter to permit—even to encourage—foreign interests to directly acquire Montana coal through lease agreement.

For this reason, I am returning SB 367 with an amendment that will provide the opportunity to export Montana coal, but reject the right of lease acquisition by foreign interests. The title is changed accordingly.

I urge your concurrence in these amendments.

Sincerely,

TED SCHWINDEN  
Governor

#### MESSAGES FROM THE GOVERNOR

The Honorable Robert Marks  
Speaker of the House  
Montana House of Representatives  
State Capitol  
Helena, Montana 59620

April 14, 1981

Dear Mr. Speaker:

This is to inform you that I have signed the following measures this date:

House Bill Nos. 92, 484, 502, 550, 596, 607.

Sincerely,

TED SCHWINDEN  
Governor

The Honorable Jean A. Turnage  
President of the Senate  
State Capitol  
Helena, Montana 59620

April 14, 1981

The Honorable Robert L. Marks  
Speaker of the House  
State Capitol  
Helena, Montana 59620

Dear Senator Turnage and Representative Marks:

In accordance with the power vested in me as Governor by the Constitution and the laws of the State of Montana, I hereby return House Bill No. 389, "AN ACT PROVIDING FOR ANNUAL OR QUARTERLY REGISTRATION OF MOTOR VEHICLES OWNED BY NONRESIDENTS TEMPORARILY EMPLOYED IN MONTANA; SUBJECTING SUCH VEHICLES TO TAXATION; AND ESTABLISHING WINDOW DECALS AS THE FORM OF LICENSE EVIDENCING QUARTERLY REGISTRATION; AMENDING SECTIONS 15-24-301, 15-24-302, 61-3-701, AND 61-3-703, MCA," without my signature and recommend the attached amendments.

Because of the possibility of enactment of a motor vehicle fee system bill, it is necessary to provide for coordination with such a bill. This is accomplished by the addition of a coordination section.

Additionally, the language establishing a quarterly decal system was inserted in Section 61-3-701, MCA, by this bill. This section deals with motor vehicles used for hire, compensation or profit rather than with motor vehicles used for transportation by nonresidents temporarily working in Montana. Consequently, it would be more appropriate to place the new language in its own section, and this is accomplished by attached amendments.

I urge your concurrence in these amendments.

Sincerely,

TED SCHWINDEN  
Governor

(2) Decals must be color-coded to distinguish the four quarterly registration periods of the year.

(3) An applicant may purchase a decal for more than one registration quarter at a time by paying the appropriate amount.

(4) There is a \$2 fee for each decal, and money collected from this fee shall be deposited to the county general fund. The \$2 fee is in addition to the tax.

(a) any personal property (including livestock) brought, driven, or coming into this state at any time during the year that is used in the state for hire, compensation, or profit;

(b) property whose owner or user is engaged in gainful occupation or business enterprise in the state; or

(c) property which comes to rest and becomes a part of the general property of the state.

(2) The taxes on this property are levied in the same manner and to the same extent, except as otherwise provided, as though the property had been in the county on the regular assessment date, provided that the property has not been regularly assessed for the year in some other county of the state.

(3) Nothing in this section shall be construed to levy a tax against a merchant or dealer within this state on goods, wares, or merchandise brought into the county to replenish the stock of the merchant or dealer in addition to the tax levied against the inventory of said merchant or dealer on the regular assessment date.

(4) Any motor vehicle not subject to the light vehicle license fee brought, driven, or coming into this state by any nonresident person temporarily employed in Montana and used exclusively for transportation of such person is subject to taxation and assessment for taxes as follows:

(a) The motor vehicle is taxed by the county in which it is located.

(b) One-fourth of the annual tax liability of the motor vehicle must be paid for each quarter or portion of a quarter of the year that the motor vehicle is located in Montana.

(c) The quarterly taxes are due the first day of the quarter.

(5) Agricultural harvesting machinery classified under class eight, licensed in other states, and operated on the lands of persons other than the owner of the machinery under contracts for hire shall be subject to a fee in lieu of taxation of \$35 per machine for a 60-day period. The machines shall be subject to taxation under class eight only if they are sold in Montana.""

In accordance with the power vested in me as Governor by the Constitution and the laws of the State of Montana, I hereby return House Bill No. 367, "AN ACT TO INSURE THAT STATUTES THAT IMPOSE NEW DUTIES ON SCHOOL DISTRICTS PROVIDE A SPECIFIC MEANS OF FINANCING," without my signature and recommend the attached amendment.

Subsection 3 of the bill provides that the trustees of a school district may appeal to the board of public education for relief from complying with a law which does not comply with the provisions of the bill. It further vests the board of public education with the authority to grant noncompliance relief upon finding that compliance with the law would require a substantial expenditure by the school district and that the law fails to meet the funding requirements of the bill.

Making a determination whether one law meets other legal requirements and granting relief from the obligations of a statute is a judicial function. Under Montana's Constitution, judicial powers are vested in the judiciary. A provision such as this, which purports to vest judicial power in an agency, is a nullity under Article III, Section 1, Separation of Powers.

Deleting subsection 3 remedies the Constitutional problem yet leaves the substance of the bill intact.

I urge your concurrence in this amendment.

Sincerely,

TED SCHWINDEN  
Governor

GOVERNOR'S PROPOSED AMENDMENT  
TO HOUSE BILL NO. 367

1. Page 2, lines 5 through 21.  
Strike: subsection (3) in its entirety  
Re-number: subsequent subsections

The Honorable Jean A. Turnage  
President of the Senate  
State Capitol  
Helena, Montana 59620

April 15, 1981

The Honorable Robert L. Marks  
Speaker of the House  
State Capitol  
Helena, Montana 59620

Dear Senator Turnage and Representative Marks:

In accordance with the power vested in me as Governor by the Constitution and the laws of the State of Montana, I hereby return House Bill

No. 18, "AN ACT TO REDUCE INDIVIDUAL INCOME TAX ON INTEREST INCOME EARNED BY A TAXPAYER; AMENDING SECTION 15-30-111, MCA; AND PROVIDING AN APPLICABILITY DATE," without my signature and recommend the attached amendments for the following reasons.

I propose amending HB 18 to allow an \$800 exemption on interest income to only those taxpayers age 65 and over and to change the title accordingly. Exempting a portion of interest income from federal income taxation is a major national priority of senior citizens for the 1981 White House Conference on Aging. Montana can be in the forefront of this national movement by making this exemption from state income taxes exclusively for senior citizens. By amending HB 18 in this manner, we can assure that tax relief will go to those who truly need it—the elderly, many of whom must exist on fixed incomes.

These amendments would reduce the fiscal impact of HB 18 from \$14 million to approximately \$4 million. The combination of HB 18 with these amendments and the property tax circuit breaker will provide dual tax reform for senior citizens—protection of the savings of a lifetime of hard work and financial security for the elderly living in the homes they have worked long and hard to buy and to maintain.

I urge your concurrence in these amendments.

Sincerely,

TED SCHWINDEN  
Governor

#### MESSAGES FROM THE GOVERNOR

The Honorable Robert Marks  
Speaker of the House  
Montana House of Representatives  
State Capitol  
Helena, Montana 59620

April 15, 1981

Dear Mr. Speaker:

This is to inform you that I have signed the following measures this date:

House Bill Nos. 7, 74, 88, 96, 413, 545.

Sincerely,

TED SCHWINDEN  
Governor

The Honorable Jean A. Turnage  
President of the Senate  
State Capitol  
Helena, Montana 59620

April 15, 1981

The Honorable Robert L. Marks  
Speaker of the House  
State Capitol  
Helena, Montana 59620

Dear Senator Turnage and Representative Marks:

In accordance with the power vested in me as Governor by the Constitution and the laws of the State of Montana, I hereby return Senate Bill No. 162, "AN ACT TO PROVIDE FOR CONTRIBUTION FROM JOINT TORTFEASORS; AMENDING SECTION 27-1-703, MCA," without my signature and recommend the attached amendments for the following reasons.

Senate Bill No. 162, as passed, reforms Montana common law pertaining to apportionment of contribution among joint tortfeasors which has formed the basis of professional judgments already exercised by attorneys on cases now in process. Since SB 162 could be construed as a change in procedure rather than substantive law, it is possible that the courts could apply the apportionment principles to cases that are presently filed but that have not been brought to trial before July 1, 1981.

The amendment that I am proposing will allow SB 162 to operate on all causes of action that accrue to plaintiffs after July 1, while also allowing cases presently in process to remain unaffected.

In addition, I am also proposing an amendment to the title of SB 162 so that it will more accurately reflect the contents of the bill.

I urge your concurrence in these amendments.

Sincerely,

TED SCHWINDEN  
Governor

The Honorable Jean A. Turnage  
President of the Senate  
State Capitol  
Helena, Montana 59620

April 15, 1981

The Honorable Robert L. Marks  
Speaker of the House  
State Capitol  
Helena, Montana 59620

Dear Senator Turnage and Representative Marks:

In accordance with the power vested in me as Governor by the Constitution and the laws of the State of Montana, I hereby return Senate Bill No. 426, "AN ACT TO REESTABLISH THE BOARD OF

OPTOMETRISTS UNDER EXISTING STATUTORY AUTHORITY AND RULES; PROVIDING FOR STAGGERED 4-YEAR TERMS FOR BOARD MEMBERS; REMOVING RESTRICTIONS AGAINST ADVERTISING; CLARIFYING THE AUTHORITY TO FIT CONTACT LENSES; UPDATING THE GROUNDS FOR REVOCATION OF A LICENSE; REMOVING RESTRICTIONS PROHIBITING OPTOMETRISTS FROM BEING EMPLOYED BY ANYONE OTHER THAN A LICENSED OPTOMETRIST; AMENDING SECTIONS 2-8-103, 2-15-1612, 37-10-301, AND 37-10-311, MCA; AND PROVIDING AN IMMEDIATE EFFECTIVE DATE," without my signature and recommend the attached amendments.

As introduced, the bill would have removed restrictions prohibiting optometrists from being employed by anyone other than a licensed optometrist, but this restriction was put back into the bill during the legislative process. Therefore, the title of the bill must be amended to strike the clause stating that this restriction is removed by the bill.

Also, section 4 of the bill amends Section 37-10-301(1)(k) so as to make it unlawful for a person to place a lens to direct, contiguous contact with the human eyeball unless licensed as an optometrist. The way the subsection reads after amendment, it is unlawful for anyone to place a lens in their own eye unless licensed as an optometrist. This problem is corrected by striking the word "place" from this subsection.

I urge your concurrence in these amendments.

Sincerely,

TED SCHWINDEN  
Governor

### MOTIONS

Representative Fagg moved that the House stand in recess until 1:00 p.m. Motion carried.

House recessed at 12:10 p.m.

House reconvened at 2:30 p.m.

### COMMUNICATIONS AND PETITIONS

Representative Bardanouve arose on a point of personal privilege. He read a letter from several Justices of the Supreme Court accusing him of lying about the Court on the floor of the House and insisting that he participate in a press conference concerning his views on the Judiciary. Unbeknown to him, the Justices had given a copy of their letter to him to the press. He felt that his Constitutional rights, as stated in Article V, section 8, of the Montana Constitution, had been violated. The Speaker quoted that section as follows:

Section 8. Immunity. A member of the legislature is privileged from arrest during attendance at sessions of the legislature and in going to and returning therefrom, unless apprehended in the commission of a felony or a breach of the peace. *He shall not be questioned in any other place for any speech or debate in the legislature.*

The Assembly, in discussion, was appalled at this sort of attack and questioned its poor taste, if nothing else.

Representative Fagg moved that the House give Representative Bardanouve a vote of confidence in his fiscal responsibility and the gentlemanly manner in which he has always conducted himself. Motion carried unanimously.

### MESSAGES FROM THE GOVERNOR

The Honorable Robert Marks  
Speaker of the House  
Montana House of Representatives  
State Capitol  
Helena, Montana 59620

April 16, 1981

Dear Mr. Speaker:

This is to inform you that I have signed the following measures this date:

House Bill Nos. 90, 102, 110, 258, 265, 299, 304, 379, 481, 573, 594.

Sincerely,

TED SCHWINDEN  
Governor

The Honorable Jean A. Turnage  
President of the Senate  
State Capitol  
Helena, Montana 59620

April 16, 1981

The Honorable Robert L. Marks  
Speaker of the House  
State Capitol  
Helena, Montana 59620

Dear Senator Turnage and Representative Marks:

In accordance with the power vested in me as Governor by the Constitution and the laws of the State of Montana, I hereby return House Bill

No. 34, "AN ACT TO REVISE THE INCOME LIMITATIONS APPLICABLE TO PROPERTY TAX EXEMPTION FOR 100 PERCENT DISABLED VETERANS; AMENDING SECTION 15-6-211, MCA; AND PROVIDING AN APPLICABILITY DATE," without my signature and recommend the attached amendment for the following reasons.

House Bill No. 34 as passed requires a taxpayer to show no more than a certain income level as reported on his federal income tax return. It is possible that some otherwise qualified applicant may not be required to file a federal return.

The "Statement of Intent" that I am proposing makes it clear that the Department of Revenue may adopt rules to permit such an applicant to receive the benefits of the exemption provided in Section 15-6-211, MCA, even though he was not required to file a federal return.

I urge your concurrence in this amendment.

Sincerely,

TED SCHWINDEN  
Governor

GOVERNOR'S PROPOSED AMENDMENT  
TO HOUSE BILL NO. 34

1. Insert: "STATEMENT OF INTENT"

In the event that an individual or married couple, otherwise entitled to the exemption provided by this act, are not required to file a federal income tax return, the department of revenue may adopt rules to enable these taxpayers to demonstrate that they meet the income limitations."

The Honorable Robert L. Marks  
Speaker of the House  
State Capitol  
Helena, Montana 59620

Dear Senator Turnage and Representative Marks:

In accordance with the power vested in me as Governor by the Constitution and the laws of the State of Montana, I hereby return House Bill No. 38, "AN ACT TO AMEND SECTION 2-4-307, MCA, RELATING TO OMISSIONS FROM THE ADMINISTRATIVE RULES OF MONTANA OR THE MONTANA ADMINISTRATIVE REGISTER," without my signature and recommend the following amendments.

House Bill No. 38, as passed, may create significant problems for agencies required to conform to federal regulations. Under House Bill No. 38, amendments of federal regulations incorporated by reference are not effective for at least 30 days after publication in the "Montana Administrative Register." If a hearing is requested, the effective date of the rule may be considerably later than the 30 days. The effects of this "gap" period, when ARM does not conform to required federal regulations, may result in losses of federal financial participation and other liabilities to the state general fund.

House Bill 38, also has technical problems regarding how and when a hearing is requested and the impact of that request on the effective date of the federal regulation amendment. The bill as passed envisions that a hearing request be governed by 2-4-302, MCA, which deals with prospective rulemaking rather than 2-4-315, MCA, which deals with petitions for amendments to rules that already have a properly noticed effective date.

The amendments that I am proposing provide solutions to both of these problems while ensuring the public's right to a hearing.

I urge your concurrence in these amendments.

Sincerely,

TED SCHWINDEN  
Governor

Dear Senator Turnage and Representative Marks:

In accordance with the power vested in me as Governor by the Constitution and the laws of the State of Montana, I hereby return House Bill No. 215, "AN ACT TO PROVIDE DISTRICT COURTS AND JUSTICES' COURTS WITH CONCURRENT ORIGINAL JURISDICTION IN ALL CRIMINAL CASES AMOUNTING TO MISDEMEANOR; AMENDING SECTION 3-5-302, MCA; AND PROVIDING AN IMMEDIATE EFFECTIVE DATE," without my signature and recommend the attached amendment.

As introduced, HB 215 provided district courts and justices' courts with concurrent jurisdiction in all criminal cases amounting to misdemeanor. The bill, however, was amended after introduction to provide for concurrent jurisdiction only in certain, specified instances. The title of the bill was not changed to reflect this amendment.

I am proposing an amendment to the title simply to make it reflect the content of the bill.

I urge your concurrence in this amendment.

In accordance with the power vested in me as Governor by the Constitution and the laws of the State of Montana, I hereby return House Bill No. 510, "AN ACT TO AMEND SECTIONS 18-2-201 AND 18-2-202, MCA, TO LIMIT THE NUMBER OF INDIVIDUAL SURETIES AND AUTHORIZE THE USE OF DEPOSITS AND SECURITIES IN LIEU OF SURETY BONDS ON GOVERNMENT CONSTRUCTION PROJECTS," without my signature and recommend the attached amendment.

As introduced, HB 510 would have limited the number of individual sureties on bonds for government construction projects. The bill, however, was amended after introduction to delete this limit, and other language was substituted. The title was never amended to reflect this change.

I am proposing an amendment to the title simply to make it reflect the content of the bill.

I urge your concurrence in this amendment.

April 17, 1981

The Honorable Robert L. Marks  
Speaker of the House  
State Capitol  
Helena, Montana 59620

Dear Senator Turnage and Representative Marks:

In accordance with the power vested in me as Governor by the Constitution and the laws of the State of Montana, I hereby veto House Bill No. 626, "AN ACT TO REPEAL THE "EXCLUSIONARY RULE"; PROVIDING A CIVIL REMEDY FOR VIOLATION OF A PERSON'S CONSTITUTIONAL PRIVACY RIGHTS AND SEARCH AND SEIZURE RIGHTS; REQUIRING SUSPENSION OR DISMISSAL FROM EMPLOYMENT FOR AN AGENT OF THE STATE OR A POLITICAL SUBDIVISION THEREOF WHO WRONGFULLY VIOLATES A PERSON'S CONSTITUTIONAL SEARCH AND SEIZURE RIGHTS; AMENDING SECTION 46-5-104, MCA; REPEALING SECTION 46-13-302, MCA," without my signature.

HB 626, as passed, repeals the "Exclusionary Rule" which protects a citizen from the use of evidence which has been obtained by an unlawful search and seizure for trial purposes. In its place, HB 626 provides a civil remedy for violations of a citizen's constitutional right of privacy, and protection against unreasonable search and seizure. In addition, HB 626 requires suspension or dismissal of a law enforcement official who wrongly violates these constitutional rights.

The "Exclusionary Rule" was developed to enforce our constitutional right of privacy and protection against unreasonable search and seizure. Because an action for damages may not adequately guarantee these Constitutional rights, HB 626 may be unconstitutional. Any benefits realized by using unconstitutionally seized evidence are outweighed by the costs a free society must pay as a whole.

Proponents of HB 626, who constituted a legislative majority, searched for an alternative to the exclusionary rule. They argued persuasively that the alternatives proposed would prevent suspects from getting off on "technicalities".

Opponents of HB 626 argue that it will encourage overzealous police to invade our homes with the slightest provocation or, conversely, create "do-nothing cops" hesitant to conduct a search and seizure for fear of dismissal. Neither alternative is acceptable in a society dedicated to upholding law and order.

Complex issues force hard decisions. The issues surrounding HB 626 are complicated, emotional and allow reasonable people to differ. Complexity and emotion, however, must not be allowed to obscure the "bottom line". *Protection against unlawful search and seizure, and the right of individual privacy in our homes, are principles fundamental to our society.*

Currently, a good faith attempt is made by law enforcement officials to act on probable cause before embarking on any search and seizure. The specter of harassment from lawsuits or dismissal may destroy the good faith effort to enforce the law in the spirit of the Constitution.

As Justice Brandeis succinctly said, "If the government becomes a law-breaker, it breeds contempt for law . . .". In support of "law and order" and with a strong personal commitment to the sanctity of our homes, I hereby veto House Bill No. 626.

Sincerely,

TED SCHWINDEN  
Governor

Strike: remainder of line 16 on page 1 through line 4 on page 4  
Insert: "the mandatory mill levy established under the provisions of 20-9-501; and to provide for a maximum replacement mill levy for units of local government."

Section 3. Definitions. The following definitions apply to [sections 1 through 6]:

(1) The term “replacement mill levy” means the maximum number of mills that a local government unit is authorized to impose in accordance with [section 6].

(2) The term “state payment to county” means the annual dollar amount paid to a county under [section 5(1)].

(3) The term “total county local budget” means the total of that portion of all local government property tax funded budgets within a county plus the total of all school district budgets within a county minus state and county equalization and local district permissive levy amounts of the school district budgets.

(4) The term “total local government unit mill levy” means the total number of mills being imposed by the local government unit in the current taxable year.

Section 4. Appropriation. (1) There is appropriated from the state general fund to the state treasurer for distribution to county treasurers \$38,000,000 for the biennium ending June 30, 1983, for the purpose of funding reductions in the mandatory retirement fund requirements established under the provisions of 20-9-501. (2) The dollar amount appropriated in this section for the 1982-1983 biennium shall be multiplied by the ratio of the PCE for the second quarter of the year prior to any future biennial appropriation to the PCE for the second quarter of 1980. “PCE” means the implicit price deflator for personal consumption expenditures as published quarterly in the Survey of Current Business by the bureau of economic analysis of the United States department of commerce.

Section 5. Distribution. The appropriation provided in [section 4] shall be distributed in the following manner:

(1) In each year of the biennium the state treasurer shall pay to each county treasurer in accordance with subsection (2) an amount equal to the fraction of the state’s population residing in the county according to the 1980 county census published by the U.S. bureau of the census multiplied by one-half the appropriation provided in [section 4].

(2) The state treasurer shall make two equal payments to each county on November 30 and May 30 of each year following [the effective date of this act].

(3) The county treasurer shall remit the money received under this section to the credit of the retirement fund established under 20-9-501 and reduce the mandatory county levy accordingly.

Section 6. Local government authorized to levy additional mills.

(1) In addition to any mill levy authorized by law, the governing body of a local government unit may impose an additional replacement mill levy less than or equal to the product of the following formula:

(total local government unit mill levy) X state payment to county/total county local budget = Replacement mill levy

(2) If by interlocal agreement or other statutory requirement a part of a county mill levy is not imposed on an incorporated city or town, then the same proportion of the county replacement levy shall be reduced in the incorporated city or town.

The Honorable Robert L. Marks

Dear Senator Turnage and Representative Marks:

It has come to my attention that my proposed amendment to House Bill No. 510 was prefaced by an incorrect page reference. Accordingly, the purpose of this letter is to request that you use the attached sheet to make the required correction in my proposed amendment.

The Honorable Robert L. Marks  
Speaker of the House

Dear Senator Turnage and Representative Marks:

In accordance with the power vested in me as Governor by the Constitution and the laws of the State of Montana, I hereby return Senate Bill No. 460, "AN ACT TO REQUIRE THE COUNTY ASSESSOR TO RELEASE THE ROLLBACK TAX LIEN WHEN THE ROLLBACK TAX HAS BEEN PAID; AMENDING SECTION 15-7-209, MCA," without my signature and recommend the attached amendments.

Senate Bill No. 183, already passed and approved, repealed the rollback tax. My proposed amendments change Senate Bill No. 460 so that it is consistent with Senate Bill No. 183.

I urge your concurrence in these amendments.

Sincerely,

TED SCHWINDEN

Dear Senator Turnage and Representative Marks:

In accordance with the power vested in me as Governor by the Constitution and the laws of the State of Montana, I hereby return Senate Bill No. 150, "AN ACT TO CLARIFY THE STATUTES ALLOWING THE INVESTMENT CREDIT; AND TO INCREASE THE SMALL BUSINESS INVESTMENT CREDIT TO 30 PERCENT OF THE FEDERAL CREDIT; AMENDING SECTIONS 15-30-161, 15-30-162, AND 15-31-123, MCA; AND PROVIDING APPLICABILITY DATES," without my signature and recommend the attached amendment.

The way that Section 15-30-161, MCA, reads after amendment by this bill, it allows the investment credit only to those individuals, estates and trusts owning an interest in partnerships and small business corporations electing to be taxed under 15-31-202. I do not believe it was the legislature's intent to eliminate the sole proprietor from eligibility for this credit, and accordingly, my proposed amendment ensures that the sole proprietorship form of small business qualifies for the credit.

I urge your concurrence in this proposed amendment.

Sincerely,

TED SCHWINDEN

The Honorable Jean A. Turnage

April 18, 1981

The Honorable Robert L. Marks  
Speaker of the House  
State Capitol  
Helena, Montana 59620

Dear Senator Turnage and Representative Marks:

In accordance with the power vested in me as Governor by the Constitution and the laws of the State of Montana, I hereby veto House Bill No. 201, "AN ACT DIRECTING THE DEPARTMENT OF REVENUE TO COMPILE AND PUBLISH ANNUALLY INFORMATION OBTAINED FROM THE REALTY TRANSFER ACT AND TO

REQUIRE THE DEPARTMENT OF REVENUE TO PROVIDE INFORMATION TO INDIVIDUAL TAXPAYERS CONCERNING THE VALUATION OF PROPERTIES COMPARABLE TO THEIR OWN; AMENDING SECTION 15-7-308, MCA.”

House Bill 201 as passed, places an unacceptable burden on the Department of Revenue. The bill requires publication, by April 15 of each year, of a sales ratio study containing comparisons of the assessed value and sales price of real estate in the various counties and cities of the state from information obtained from realty transfer certificates. Because of other legislatively mandated requirements, not all counties can supply the necessary information to the Department in time for the April 15 deadline. Thus the publication would be incomplete and of limited value for many of the state's counties.

Additionally, the bill requires the Department to provide taxpayers with sales and assessment data for comparable property when the taxpayer appeals an assessment. The necessary data is not available in computer data form, which would necessitate manual searches for data at the county level. House Bill No. 201 does not provide either the personnel or the funding to carry out this task.

For the following reasons, I hereby veto HB 201.

Sincerely,

TED SCHWINDEN  
Governor

The Honorable Jean A. Turnage  
President of the Senate  
State Capitol  
Helena, Montana 59620

April 18, 1981

The Honorable Robert L. Marks  
Speaker of the House  
State Capitol  
Helena, Montana 59620

Dear Senator Turnage and Representative Marks:

In accordance with the power vested in me as Governor by the Constitution and the laws of the State of Montana, I hereby return House Bill No. 403, “AN ACT TO PROVIDE THAT ONLY THE DEFENDANT IN A CRIMINAL ACTION MAY RAISE HIS LACK OF FITNESS TO PROCEED AND TO MAKE THE STATE LIABLE FOR THE COSTS OF COMMITMENT IN PLACE OF TRIAL AND IMPRISONMENT; AMENDING SECTIONS 46-14-202 AND 46-14-221, MCA,” without my signature and recommend the attached amendments for the following reasons.

House Bill No. 403 as passed, requires in pertinent part, that the cost of transporting and keeping patients committed under the provision of Section 46-14-221, MCA, be the obligation of the state. This is currently a fiscal obligation of the county. HB 403 would cause a loss of revenue to the state general fund in excess of \$110,000 a year. In addition, the cost to Warm Springs State Hospital for the transportation of such patients would be an undeterminable amount of money for which no budget provisions have been made.

I am proposing amendments which return Section 46-14-221(5), MCA, to its existing statutory form, and which change the title accordingly. My

amendments do not propose any changes to HB 403 pertaining to who may raise the defendant's lack of fitness in a criminal action.

In as much as funding has not been provided in the appropriation bill to cover the costs that would be incurred by the Department, I urge your concurrence in these amendments.

Sincerely,

TED SCHWINDEN  
Governor

**MESSAGES FROM THE GOVERNOR**

The Honorable Robert Marks  
Speaker of the House  
Montana House of Representatives  
State Capitol  
Helena, Montana 59620

April 20, 1981

Dear Mr. Speaker:

This is to inform you that I have signed the following measures this date:

House Bill Nos. 48, 58, 152, 309, 330, 364, 385, 578, 655, 662, 701, 712, 724, 773, 794, 806.

Sincerely,

TED SCHWINDEN  
Governor

The Honorable Jean A. Turnage  
President of the Senate  
State Capitol  
Helena, Montana 59620

April 20, 1981

The Honorable Robert L. Marks  
Speaker of the House  
State Capitol  
Helena, Montana 59620

Dear Senator Turnage and Representative Marks:

In accordance with the power vested in me as Governor by the Constitution and the laws of the State of Montana, I hereby veto House Bill No. 329, "AN ACT TO GENERALLY REVISE THE PROCEDURE FOR OBTAINING AN ECONOMIC IMPACT STATEMENT REQUIRED BY THE ADMINISTRATIVE CODE COMMITTEE AND ITS PUBLICATION BY THE SECRETARY OF STATE; AMENDING SECTIONS 2-4-305 AND 2-4-405, MCA."

House Bill No. 329 as passed, allows the Administrative Code Committee to suspend any rulemaking proceedings for up to six months if the Committee requests an agency to prepare an economic impact statement. This grant of authority to the committee raises a constitutional question relating to "Separation of Powers". The power to suspend rulemaking substantially interferes with my constitutional duty to see that the laws are expeditiously and faithfully executed. A suspension of rulemaking for up to six months may affect Montana's compliance with federal law where rulemaking is necessary in order to maintain jurisdiction of programs and eligibility for federal funds.

My major concern, however, is the delay inevitably resulting from a legislative suspension of rules. The current rulemaking process takes up to six months, in addition to the time required for preliminary study and analysis. At a time when I am actively seeking to create an atmosphere conducive to economic development in this state, the additional six-month delay allowed by HB 329 is unacceptable. Moreover, the uncertainty associated with a legislative committee decision to suspend rules could be a significant deterrent to an investor, or to a business impacted by the rulemaking process.

Mechanisms already exist under present law to require economic analysis of proposed rules. Under existing law the Administrative Code Committee may request an agency to prepare an economic impact statement under the language of the Administrative Procedures Act. Additionally, if an EIS is being prepared under the Montana Environmental Policy Act, that EIS must analyze the economic impact of the proposed rules.

Delayed decisions and uncertainty over rule suspensions would have a negative impact on economic development and are ample reasons to veto HB 329.

Sincerely,

TED SCHWINDEN  
Governor

The Honorable Robert L. Marks  
Speaker of the House  
State Capitol

Dear Senator Turnage and Representative Marks:

In accordance with the power vested in me as Governor by the Constitution and the laws of the State of Montana, I hereby return House Bill No. 97, "AN ACT TO CLARIFY AND REVISE THE DEFINITIONS AND THE PROCEDURES FOR REFUNDING MEMBERS' CONTRIBUTIONS AND FOR PAYMENT OF INVOLUNTARY RETIREMENT ALLOWANCES USED IN THE MONTANA STATE GAME WARDENS' RETIREMENT SYSTEM; AMENDING SECTIONS 19-8-101, 19-8-503, 19-8-601, AND 19-8-604, MCA," without my signature and recommend the attached amendment.

My proposed amendment is to clarify the applicability section.

I urge your concurrence in this amendment.

Sincerely,

TED SCHWINDEN  
Governor

Dear Senator Turnage and Representative Marks:

In accordance with the power vested in me as Governor by the Constitution and the laws of the State of Montana, I hereby return House Bill No. 702, "AN ACT TO LIMIT THE MAXIMUM FEE THAT THE DEPARTMENT OF ADMINISTRATION CAN CHARGE FOR RECEIVING AND PROCESSING ELEVATOR AND ESCALATOR CONDITION REPORTS; AMENDING SECTION 50-60-701, MCA," without my signature and recommend the attached amendments for the following reasons.

The language in House Bill No. 702 on page 2, does not adequately represent the intent of the legislature. It appears that the legislature intended to excuse the Department of Administration from a follow-up inspection of an elevator or escalator if the certified maintenance or insurance company inspector doing the inspection certifies to the department that all deficient conditions noted in the condition report have been corrected.

I am proposing amendments to clarify this legislative intent.

I urge your concurrence in these amendments.

Sincerely,

Dear Senator Turnage and Representative Marks:

In accordance with the power vested in me as Governor by the Constitution and the laws of the State of Montana, I hereby return House Bill No. 765, "AN ACT TO PROVIDE FOR MUNICIPAL REGULATION OF MUNICIPALLY OWNED UTILITIES; TO ESTABLISH MAXIMUM INCREASES ALLOWED; TO REQUIRE REPORTING TO THE PUBLIC SERVICE COMMISSION AND THE MONTANA CONSUMER COUNSEL; AND AMENDING SECTION 69-3-101, MCA; AND PROVIDING A PERIOD OF EFFECTIVENESS," without my signature and recommend the attached amendments for the following reasons.

The first sentence in Section 5 of HB 765 requires clarification regarding the magnitude of rate increases that triggers Public Service Commission involvement. My first proposed amendment provides this clarification.

My second proposed amendment strikes a reference to a subsection which was deleted by an amendment to the bill.

I urge your concurrence in these amendments.

Dear Representative Marks and Senator Turnage:

In accordance with the power vested in me as Governor by the Constitution and the laws of the State of Montana, I hereby return House Bill No. 507, "AN ACT TO ALLOW THE REMAINING TRANSPORTATION BOARD MEMBERS TO FILL VACANCIES ON THE TRANSPORTATION BOARD; TO REMOVE THE 2 WEEK WAITING PERIOD REQUIREMENT AFTER THE REQUIREMENT OF NOTICE OF VACANCY HAS BEEN MET; AMENDING SECTIONS 7-14-216 AND 7-14-217, MCA," without my signature and recommend the following amendment for the following reasons.

After introduction, HB 507 was amended to provide for a selection board which would choose persons to fill vacancies on transportation boards, rather than having the remaining board members fill the vacancies. The title was not amended at that time to reflect this change. I am proposing an amendment to the title so it reflects the change in the bill.

I urge your concurrence in this amendment.

Free Conference Committee Report on House Bill No. 761

The Senate, on 4/23/81, requested the return of House Bill No. 869, introduced by Meyer, Goodover, Hemstad, et al., for further consideration. Before the request could be delivered to the House of Representatives, the House had adjourned sine die.

House Bill No. 73, introduced by Vincent, Nordtvedt, Harrington, et al., was transmitted to the Senate, on 4/23/81, by the House of Representatives. Because no further action was taken on the bill by the Senate, including temporary suspension of the rules for its receipt, it was returned to the House.
